By Walter Scott  
Unabridged  
Read by David Rintoul

### DESCRIPTION

Written in 1819 but set in 12th-century England, *Ivanhoe* is a tale of love struggling to survive against a violent backdrop of politics and war. Wilfred of Ivanhoe was thrown out of his father's home when he fell in love with his father Cedric's ward, Lady Rowena. Ivanhoe later returns from fighting in the Crusades and is wounded in a jousting tournament. A series of events follows, including the return of King Richard to England, resulting in Ivanhoe's reconciliation with Cedric and his marriage to Rowena.
