

## Armadale

By Wilkie Collins

Unabridged

Read by Nicholas Boulton, Lucy Scott and cast

### DESCRIPTION

Two young men linked by a familial murder mystery, a beautiful yet wicked governess who spins a web of deceit, and five individuals named Allan Armadale: Wilkie Collins's follow-up to *The Woman in White* and *No Name* is an innovative take on mistaken identity, the nature of evil and the dark underbelly of Victorian England. The story concerns two distant cousins, both named Allan Armadale, and the impact of a family tragedy, which makes one of them a target of the murderous Lydia Gwilt, a vicious and malevolent charmer determined to get her hands on the Armadale fortune. Will the real Allan Armadale be revealed, and will he survive the plot against his life?
