

The Dead Secret

WILKIE COLLINS

Read by **Nicholas Boulton**

COMPLETE CLASSICS UNABRIDGED

A masterful blend of Gothic drama and romance, Wilkie Collins's mystery novel is an exploration of illegitimacy and inheritance. Set in Cornwall, the plot foreshadows *The Woman in White* with its themes of doubtful identity and deception, and involves a broad array of characters. The 'secret' of the book's title is the true parentage of the book's heroine, Rosamond Treverton, which has been written down and kept in an unused room at Porthgenna Tower. This is where, 20 years later, much of the novel's action is set.

Nicholas Boulton graduated from The Guildhall School of Music and Drama, winning the BBC Carleton Hobbs Award for Radio. He has since featured in countless BBC radio dramas, narrated a plethora of award-winning audiobooks, and died a thousand deaths in various video games. Film, TV and theatre appearances include *Shakespeare in Love*, *Game of Thrones* and *Wolf Hall* (RSC).
