ALEXANDER LEE

Machiavelli

HIS LIFE AND TIMES

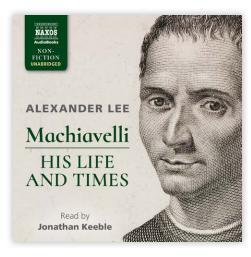

Read by

Jonathan Keeble

Thanks to the invidious reputation of his most famous work, *The Prince*, Niccolò Machiavelli exerts a unique hold over the popular imagination. But was Machiavelli as sinister as he is often thought to be? Might he not have been an infinitely more sympathetic figure, prone to political missteps, professional failures and personal dramas?

In *Machiavelli: His Life and Times*, Alexander Lee reveals the man behind the myth, following him from cradle to grave, from his father's penury and the abuse he suffered at a teacher's hands, to his marriage and his many affairs (with both men and women), to his political triumphs and, ultimately, his fall from grace and exile. In doing so, Lee uncovers hitherto unobserved connections between Machiavelli's life and thought. He also reveals the world through which Machiavelli moved: from the great halls of Renaissance Florence to the court of the Borgia pope Alexander VI, from the dungeons of the Stinche prison to the Rucellai garden, where he would begin to write some of his last great works.

As much a portrait of an age as of a uniquely engaging man, Lee's gripping and definitive biography takes the reader into Machiavelli's world – and his work – more completely than ever before.

Total running time: 22:58:25 *View our catalogue online at n-ab.com/cat*

Jonathan Keeble is an award-winning actor who combines his audio work with a busy theatre and TV career. Much in demand, his voice work ranges from the voice of God in the Sistine Chapel to the Angel of Death in the film *Hellboy 2*, with all stops in between. He has featured in over 700 radio plays for the BBC, appearing in everything from Shakespeare to Sherlock Holmes and Dr Who; he also played the evil Owen in *The Archers*. He has recorded over 400 audiobooks, for which he has won multiple awards.
