

## The Forsyte Chronicles, Volume 3: End of the Chapter

By John Galsworthy  
Unabridged  
Read by David Timson

### DESCRIPTION

John Galsworthy's magnificent trilogy of power and passion chronicles the wealthy Forsyte family. As the disintegrating values of the Victorian era progress to World War I and the political uncertainty of the 1930s, the family's material and emotional struggles are set within the dwindling status of the affluent middle-classes. Infused with warmth, compassion and engaging characters, the complete *Chronicles* are divided into three volumes, containing nine books and three interludes in total.

Volume 3 of this gripping family saga, *End of the Chapter*, shifts to the Cherrells - cousins of the Forsytes by marriage. Young Dinny Cherrell in particular cherishes their ancestral home, Condaford Grange, which represents stability in a rapidly changing world. Through his depiction of the lives and loves of this family, Galsworthy throws a brilliant spotlight on the social and political upheavals of the 1930s.

*End of the Chapter* contains Book 1: *Maid in Waiting*, Book 2: *Flowering Wilderness* and Book 3: *Over the River*.
