

Clea

By Lawrence Durrell
Unabridged
Read by Nicholas Boulton

DESCRIPTION

'I knew that Clea would share everything with me, withholding nothing - not even the look of complicity which women reserve only for their mirrors.' In *Clea*, the concluding part of *The Alexandria Quartet*, Darley returns to Alexandria now caught by war-fever. The conflagration has its effect on his circle - on Nessim and Justine, Balthazar and Clea, Mountolive and Pombal - and a clarity of purpose emerges as the story moves towards its cadence.
