

The Imitation of Christ

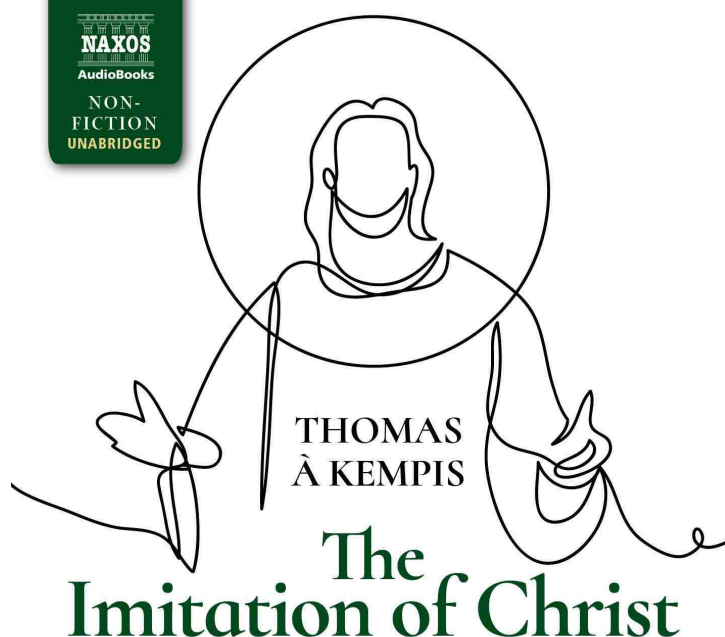

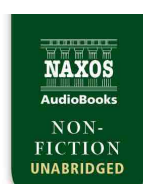

By Thomas à Kempis
Unabridged
Read by Jonathan Booth

DESCRIPTION

First published in 1471, the year of the author's death, *The Imitation of Christ* is a highly influential Christian text. A celebration of God's mercy, holiness and love, *The Imitation* is a devotional guide in which Christians are urged to trust fully in God and submit to the circumstances of the life which we are given by God. Although Thomas à Kempis spent 70 years of his life in the confines of a monastery, this work shows a complete comprehension of human nature. St Thomas More commended the work as one of the three books that everyone ought to own, while John Wesley, the founder of Methodism, called it the best summary of Christian life that he had ever read.

SALES AND MARKETING POINTS

- A key and influential Christian text.
- A spiritual guide that still speaks to a modern audience.
- Read authoritatively by Jonathan Booth, who gives a clear and insightful narration.
