

## Man and Wife

By Wilkie Collins  
Unabridged  
Read by Nicholas Boulton

### DESCRIPTION

Published 10 years after Collins's most popular novel *The Woman in White*, *Man and Wife* centres on the confused and inequitable marriage laws of 19th-century Britain, reflecting the author's own antipathy towards the institution. The plot follows the fortunes of a woman who, committed to marriage with one man, comes to believe that she may have inadvertently married his friend, according to the archaic laws of Scotland and Ireland. Collins shows himself to be a masterly storyteller, seamlessly moving the action from a country house to a suburb of London, and into a world of deceit and murder.

### SALES AND MARKETING POINTS

- A further instalment in the Naxos survey of Wilkie Collins's novels, which includes *Armada* and *No Name*.
- No other recording of *Man and Wife* is available.
- An authoritative performance by the ever-popular Nicholas Boulton.
