First published in 1924, *Beau Geste* tells the story of a stolen sapphire and three brothers, who consequently join the Foreign Legion. Michael 'Beau' Geste, as his nickname suggests, represents honour and bravery in the midst of deceit and treachery. An action-packed adventure, much of the plot is set in French North Africa where the Geste brothers have to contend with both a mutiny in their ranks and the attacks of the Touaregs. The novel has given rise to many films, most notably the 1939 version starring Gary Cooper and Ray Milland, and a stage production with Laurence Olivier in the title role.

Rupert Degas has narrated over 150 audiobooks, including titles by Haruki Murakami, Oscar Wilde, Arthur Conan Doyle, Mervyn Peake, Bram Stoker, Cormac McCarthy and many more. He has received particular critical acclaim for his performances of *Jupiter's Travels* by Ted Simon and *Flanagan's Run* by Tom McNab (both available on Naxos AudioBooks). He has won over ten Earphones Awards and has been nominated for several Audies. He lives in Sydney, Australia.
