**Unabridged**

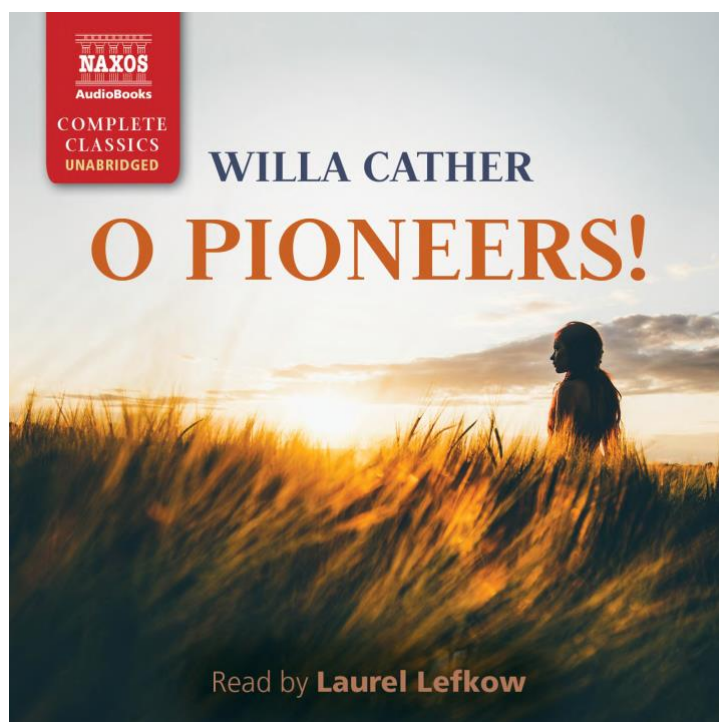

Read by Laurel Lefkow

**DESCRIPTION**

The first part of Willa Cather's Great Plains trilogy, *O Pioneers!* follows the tragedies and triumphs of Alexandra Bergson, a strong and independent young woman who inherits the family farm following the death of her father. Alexandra's passion and shrewd instinct guide her towards success as she continues to buy more of the surrounding land and resist the challenges imposed by the harsh Nebraskan prairie. Different challenges await her when a former love resurfaces and her brother becomes romantically involved with a married woman. A powerful story gently told, *O Pioneers!* is a compelling portrait of love versus duty, and the indomitable spirit of America's pioneer families.
